

### **Prevention Education Coordinator**

[full- time position April 14, 2014 to March 31, 2017]

The Prevention Education Coordinator develops community capacity & supportive environments to address factors which increase vulnerabilities for transmission of HIV & STBBIs by: coordinating activities of the Prev/Ed Team; providing targeted prevention & education programs to at-risk populations & related service providers; developing strong partnerships with service providers & people with lived experience throughout the four county region to create initiatives that result in mutually beneficial outcomes.

#### **Qualifications & Experience:**

- 3 – 5 years progressive experience in health promotion or community development programs &/or relevant degree or diploma
- Thorough understanding of HIV/STBBI transmission, safer sex, sex-positivity, harm reduction & determinants of health
- Ability to communicate & animate an integrated commitment to GIPA/MIPA, & anti-racism/anti-oppression
- Reliable knowledge of issues experienced by people who are living with HIV, people who identify as LGBTQ, men who have sex with men & people who use injection drugs
- Ability to translate complex concepts to varied audiences
- Strong program development, management & delivery; data collection & evaluation; community mobilization, & event management experience
- Proven ability to develop key partnerships locally & provincially
- Excellent communication & technology skills
- Well-developed leadership, interpersonal, supervision & organizational skills
- Self-directed, willingness to work flexible hours
- Demonstrated engagement with continuous learning
- Reliable access to a vehicle to provide services in the four counties

Your *cover letter* is an opportunity to really shine. The hiring team invites you to be bold & provide us with a sense of who you are & what you have to offer people living with HIV, people at risk, our communities & the organization.

Qualified applicants are invited to submit, by email to [hiring@parn.ca](mailto:hiring@parn.ca), a single document containing *cover letter* & resume, in PDF format only, no later than 12 p.m. Thursday, March 6, 2014.

Note: interviews will be held Monday, March 10, 2014.

Job description available upon request.

We encourage people living with or affected by HIV/AIDS & from the communities we serve to apply & to self-identify.
